CHERRY CLASS FOREST SCHOOL KIT LIST

Every week Cherry Class will be having Forest School sessions and taking part in outdoor lessons in the school grounds and elsewhere in the village. We also hope that from time to time, we will be able to visit our local farm.

Our sessions will take place entirely outside whatever the weather, it is important that your child has suitable clothes in school that they can change into and that are waterproof and warm and that are OK to get wet and muddy. Even in sunny weather the children need to have long trousers on as the Forest School area has nettles and long grass, this avoids the children getting stung or irritated by the grass.

Your child should have in school on Forest School days:

- Waterproof coat
- Waterproof trousers
- Wellington boots (or sturdy walking boots)
- Comfortable long trousers
- Comfortable, warm long sleeved top or fleece
- Long sleeved T-shirt.
- Thick socks if the weather's cold - thermal if possible

We are happy for these things to be left in school, obviously if they get wet or muddy we will send them home to be washed.

Many thanks for your co-operation.

Mrs Davies
