Welcome!

A Note for Parents

Dear All,

Welcome to our new Reading Newsletter!

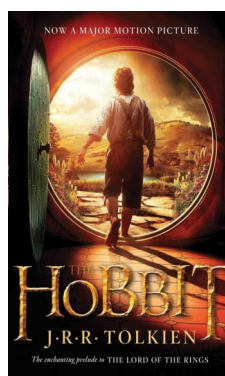

We have started the school reading newsletter to show you some of the things in our school library related to reading. We want to encourage everyone to enjoy books and find a book that they immerse themselves in.

We are hoping to release a letter every half term.

From everyone in Journalism Club

Mr Norgrove Recommends...

The Hobbit, which is all about a small person that saves the world. He likes the book because he is very tall and he likes the way that small people handle big things.

HOW CAN YOU HELP?

This is our Reading Newsletter suggestion box. In this box you can put your ideas of what you want to see in your reading newsletter. If you would like to tell us about your most enjoyable book please write us a note and post it in the box in the library. We can speak to you about your favourite book. Please write your name and class on the note so we can come and talk to you.

Where can you find new books?

- School Library - there are lots of different books from many authors in the library.
- Leominster Library - have a look at your local library and see what you can find.
- Charity Shops - have a look to see what other children have donated.
- Classrooms - there are lots of books you can become emerged in.
- Book shops - you could enter a world of reading in local book shops.

Our School Library

An interview with Mrs Blewett...

We talked to Mrs Blewett about how she put the library together and where she got her ideas from. She said she wanted to make reading more interesting and wanted to help people know where to start. It needed to be a really comfortable place for people to read and look pretty. The aim was to inspire and intrigue children to read. Mrs Blewett made an effort to be environmentally friendly by using wooden weaved baskets.

Amelia, when asked,
thought:

"The school library has
books that are easy to
find and I like delving into
the non-fiction section."

Some of Rowan Class, when
questioned, thought:

"This is an enchanting space
where we can read in a cosy
environment."
